COMMITTEE ON THE PEACEFUL
USES OF OUTER SPACE

INFORMATION FURNISHED IN CONFORMITY WITH THE CONVENTION ON REGISTRATION OF OBJECTS LAUNCHED INTO OUTER SPACE

Note verbale dated 7 December 1995 from the Permanent Representative of Spain to the United Nations Office at Vienna addressed to the Secretary-General

The Permanent Representative of Spain to the United Nations Office at Vienna presents his compliments to the Secretary-General of the United Nations and, in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space,* has the honour to transmit information concerning Spanish satellites launched from launch sites and facilities on foreign territory:

- INTASAT: launched on 15 November 1974 from Vandenberg Air Force Base, California, United States of America
- HISPASAT-1A: launched on 10 September 1992 by Arianespace from Kourou, French Guyana
- HISPASAT-1B: launched on 22 July 1993 by Arianespace from Kourou, French Guyana
- UPM-Sat 1: launched on 7 July 1995 by Arianespace from Kourou, French Guyana

*See General Assembly resolution 3235 (XXIX), annex, of 12 November 1974.
